

PRESS RELEASE – FOR IMMEDIATE RELEASE

## Moog and S3 AeroDefense Expand Global Relationship

**Milwaukee, WI, USA – August 4, 2021** – Moog, a world leader in customized, high-performance control systems and products continues to enhance its strong six-year relationship with S3 AeroDefense. Recently, the two companies renewed their agreement to appoint S3 as distributor of [Moog UH-60](#) components and systems in multiple countries. The scope of the relationship will increase over 300%, with the opportunity for future growth between the two companies.

“We are very proud and honored to have this growing relationship with Moog. The collective team has been a thrill to work with... all the creativity, collaboration, and focus on customer satisfaction has been truly wonderful,” said [Paul McBride](#), Vice President of Global Business Development, S3 AeroDefense.

“Moog is proud of our global support of the UH-60 portfolio. S3 Aero Defense’s experience in the UH-60 community provides Moog Aircraft with a great opportunity to enhance our existing customer support,” said [Paul Blunden](#), Director International Military Sustainment for Moog Aircraft Group.

Based on Moog’s legacy as an industry leader, the agreement with S3 supports S3’s position in the AeroDefense market as the go-to for services, spares, and solutions worldwide. In addition to the distribution agreement, S3 is a Moog Authorized Repair Center. Paired with S3’s dedication to exceptional customer support, this agreement will provide fleets worldwide with the trusted supplies necessary to complete every mission.
