

ARROWHEAD PRODUCTS AND S3 AERODEFENSE EXTEND DISTRIBUTION AGREEMENT TO JAPAN

LOS ALAMITOS, CA – February 1, 2023 - Arrowhead Products and S3 AeroDefense announced today the extension of their distribution agreement for two more years. The agreement, which began in 2019, now includes Japan, in addition to the United States and Canada.

Arrowhead Products and S3 AeroDefense have worked together to provide high-quality aerospace products and services to customers in the United States and Canada. The extension of the agreement to Japan will provide customers in the region with access to Arrowhead's innovative product line and S3's world-class distribution network.

"We are thrilled to expand our partnership with S3 AeroDefense to include Japan," said Stephenie Hill, VP, Contracts & Aftermarket Sales. "S3 has been a great partner, and we look forward to continuing to work together to provide our customers with the best possible products and services."

"We are excited to expand our distribution agreement with Arrowhead Products to include Japan," said Paul McBride, Senior VP of Business Development at S3 AeroDefense. "Arrowhead's high-quality products and services are a great addition to our portfolio, and we are confident that our customers in Japan will benefit from this partnership."

The extension of the distribution agreement between Arrowhead Products and S3 AeroDefense demonstrates both companies' commitment to providing the best possible products and services to their customers. With this extension, customers in Japan can now benefit from the expertise and high-quality products of Arrowhead Products and S3 AeroDefense.
