**PLEASE READ THESE TERMS AND CONDITIONS OF SALES VERY CAREFULLY.**

## **1. SCOPE:**

The Terms and Conditions of Sales are limited to those contained herein. Any additional or different terms in any forms delivered by you ("Buyer") are hereby deemed to be material alterations and notice of objection to them and rejection of them is hereby given.

The Terms and Conditions ("Terms") contained herein shall apply to all quotations and offers made by and purchase orders accepted by S3 AeroDefense, LLC ("Seller"). By accepting delivery of products described in Seller's invoice or other Seller documentation, Buyer agrees to be bound by and accepts these terms and conditions of sales unless Buyer and Seller have signed a separate agreement, in which case the separate agreement will govern any conflicts between the documents.

These Terms apply in lieu of any clearly established course of dealing between the parties or any clearly established usage of trade in the industry. These Terms may in some instances conflict with some of the terms and conditions affixed to the purchase order or other procurement document issued by the Buyer. In such case, the Terms contained herein shall govern, and acceptance of Buyer's order is conditioned upon Buyer's acceptance of the terms and conditions herein, irrespective of whether the Buyer accepts these conditions by a written acknowledgement, by implication, or acceptance and payment of products ordered hereunder. Buyer's acceptance of the terms and conditions herein shall be conclusively presumed from failure to object within a week (7 days) of delivery of goods or from Buyer's acceptance of all or part of the purchase order. Seller's failure to object to provisions contained in any communication from Buyer shall not be deemed a waiver of the provisions herein.

## **2. GOVERNING LAW:**

The Terms and Conditions of sale and any sale of products hereunder will be governed by the laws of the State of Wisconsin, without regard to conflicts of laws rules. Any dispute arising under or related to transactions between Seller and Buyer shall be resolved fully and finally by binding arbitration in Milwaukee, Wisconsin, by a single arbitrator of the American Arbitration Association, who shall be agreed upon by Seller and Buyer. If the parties cannot agree on an arbitrator, the American Arbitration Association shall appoint the arbitrator. Such arbitration shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association. The substantive laws of Wisconsin shall apply in the arbitration. The parties shall split the arbitrator's fees and other direct costs of the arbitration but each party shall pay its own attorneys' fees and the other costs of presenting their case. Any decision provided by the arbitrator in accordance with this provision shall be final and binding on the parties and judgment upon award by the arbitrator may be entered in any court having jurisdiction. With regard to any matter which cannot be determined by arbitration, the parties hereto consent to jurisdiction in the Wisconsin courts to hear any suit, action or proceeding, and to settle any disputes, which may arise out of or in connection with this Agreement. The parties further agree that venue for any such suit, action or proceeding shall be proper in Milwaukee County, Wisconsin with regard to a suit, action or proceeding brought in a state court and the United States District Court for the Eastern District of Wisconsin with regard to a suit, action or proceeding brought in a federal court.

If any terms herein are determined to be invalid under applicable law, these will not apply; but the

remaining terms shall remain in effect.

### 3. PAYMENT TERMS; INTEREST; TAXES:

Unless otherwise agreed in writing, payment must be received by Seller on the earlier of the time period specified in the invoice or thirty (30) days from the date of the invoice. Unless otherwise agreed between Buyer and Seller, all payments are to be in United States dollars. For contracts overseas, Seller may require payment to be secured by an irrevocable letter of credit or a bank guarantee acceptable to Seller. Where payment is made by letter of credit, all costs of collection shall be for Buyer's account.

Upon failure of the Buyer to pay any invoiced amount, Buyer hereby grants the Seller the right to come onto the premises of the Buyer, or Buyer's purchaser, and to reclaim all of the goods under this agreement. Buyer agrees to pay a finance charge of one and one half percent (1.5%) per month on the unpaid balance from the date when such payment was due until paid. In the event that Seller is required to bring legal action to collect delinquent accounts, Buyer agrees to pay reasonable attorneys fees and costs of suit.

Buyer is solely responsible for, and will indemnify and hold Seller harmless from, any applicable sales, use, transaction, excise or similar taxes (but not taxes imposed or measured by Seller's net income), and from any federal, state or local fees or charges (including, but not limited to, environmental or similar fees), imposed on, in respect of, or otherwise associated with the order. Buyer must claim any exemption from such taxes, fees or charges at the time of purchase and provide Seller with the necessary supporting documentation.

### 4. REMEDIES TO SELLER:

Buyer agrees that any of the following shall constitute an event of default which shall enable Seller, at its option, to cancel any unexecuted portion of this order and/or to exercise any right or remedy which it may have by law: (a) the failure of Buyer to perform any term or condition contained herein; (b) any failure of Buyer to give required notice; (c) the insolvency of Buyer or its failure to pay debts as they mature, the filing of any petition to adjudicate Buyer bankrupt; (d) the death, incompetence, dissolution or termination of existence of Buyer; (e) a failure by Buyer to provide adequate assurance of performance within ten (10) days after a justified demand by Seller or (f) if Seller, in good faith, believes that Buyer's prospect of performance under this Agreement is impaired. Upon default by Buyer, Buyer agrees to reimburse Seller all attorney fees and court costs incurred by Seller in connection therewith. All rights and remedies of Seller herein are in addition to, and shall not exclude, any rights or remedies that Seller may have by law. In the event it becomes necessary to incur any expense for collection of any overdue account, reasonable collection charges, including reasonable attorneys' fees, will be added to the balance due and Buyer shall pay all such charges.

### 5. CREDIT:

Seller reserves the right to revoke any credit extended to the Buyer if Buyer fails to pay invoiced amount when due, or for any other reason based on Seller's discretion.

## 6. DELIVERY; SHIPMENT:

Seller will make a good faith effort to complete delivery of the products as indicated by Seller in writing, but Seller assumes no responsibility or liability and will accept no back-charge for loss or damage due to delay or inability to deliver, whether or not such loss or damage was made known to Seller, including, but not limited to, liability for Seller's non-performance caused by acts of God, war, labor difficulties, accidents, inability to obtain materials, delays of carriers, contractors or suppliers or any other causes of any kind whatever beyond the control of Seller. Such events shall not subject Seller to any liability to Buyer.

Unless otherwise agreed in writing, all deliveries shall be made FCA Seller's Milwaukee, WI, USA facility (Incoterms 2010). The cost of any special packing or special handling caused by Buyer's requirements or requests shall be added to the amount of the order. If Buyer causes or requests a shipment delay, or if Seller ships or delivers the products erroneously as a result of inaccurate, incomplete or misleading information supplied by Buyer or its agents or employees, storage and all other additional costs and risks shall be borne solely by Buyer. Claims for products damaged or lost in transit should be made by Buyer to the carrier.

## 7. INDEMNIFICATION:

Seller shall not be responsible for any losses or damages sustained by the Buyer or any other person as a result of improper installation or use or misapplication of the products. Buyer shall defend, indemnify and hold harmless Seller and its agents and employees against any loss, damage, claim, suit, liability, judgment or expense (including, without limitation, attorney's fees) arising out of or in connection with any injury, disease or death of persons (including, without limitation, Buyer's employees and agents) or damage to or loss of any property or the environment, or violation of any applicable laws or regulations resulting from or in connection with the sale, transportation, installation, use, or repair of the products by Buyer or of the information, services or other work supplied to Buyer, whether caused by the concurrent and/or contributory negligence of Buyer, Seller, or any of their agents, employees or suppliers. The obligations, indemnities and covenants contained in this paragraph shall survive the consummation or termination of this transaction.

The Buyer shall at its own expense apply for and obtain any permits and inspections required for the installation and/or use of the products. Seller makes no promise or representation that the products or services will conform to any federal, state or local laws ordinances, regulations, codes or standards, except as particularly specified and agreed upon in writing by an authorized representative of Seller.

## 8. CLAIMS; RETURNS:

All sales are final. Buyer may return a product only if Seller approves in writing and issues a Return Material Authorization, and if: (i) product is suitable for resale in its undamaged original packaging and with all its original parts and (ii) product has not been used, installed, modified, rebuilt, reconditioned, repaired, altered or damaged. Buyer may be subject to restocking fees.

Buyer shall inform Seller, in writing, within seven (7) days after the occurrence upon which a claim is

Defective products discovered upon inspection by Seller shall be given remedies listed under LIMITED WARRANTY section. Buyer shall not delay payment due for any part of the order due to pending inspection by Seller.

## 9. ORDER CANCELLATION:

Cancellation of an order for any reason is not permitted and is expressly rejected, except where (1) Seller provides prior written approval and (2) Buyer provides written agreement to cover all costs associated with the cancellation, including without limitation, Seller's shipping, material and handling, restocking fees and any third-party expenses. Should Buyer nonetheless terminate or cancel its order for products without Seller's written consent, Seller shall be entitled to recover from Buyer as a termination/cancellation and/or restocking fee an amount equivalent to one hundred percent (100%) of Seller's established price for such products.

Cancellation fees for special or custom order products will be at the full amount owed under the order. All other cancelled orders are subject to a minimum fifteen percent (15%) of order cancellation fee. If the cancellation fees are not accepted by Buyer, Seller shall ship the order and invoice the Buyer for the full amount owed under the order. Buyer also shall pay promptly to Seller the costs of settling and paying claims arising out of the termination of work under Seller's subcontracts or vendors and any accounting, legal, and clerical costs arising out of the cancellation. These charges may be equal to the value of products cancelled, and will be determined by Seller.

Seller shall have the right to cancel any unfilled order without notice to Buyer in the event that Buyer becomes insolvent, adjudicated bankrupt, petitions for or consents to any relief under any bankruptcy reorganization statute, or becomes unable to meet its financial obligations in the normal course of business.
